

**Receivers:**

---

- **COMPACT3,5F** 2490,-  
DC receiver 3,5 MHz
- **SUPERFOX3,5GX** 4800,-  
superheterodyne 3,5 MHz, xtal filter, accumulator
- **COMPACT 145** 4700,-  
superheterodyne 144 MHz, accumulator
- **COMPACT 145E** 5100,-  
superheterodyne 144 MHz, accumulator, advanced directional pattern
- **MONITOR MINI** 990,-  
HF/VHF monitor receiver for transmitter operators
- **FINDER06** 6500,-  
electronic compass with memory and audio output to the headphones. It can be interfaced to SUPERFOX3,5GX and COMPACT145 receivers

**Transmitters:**

---

- NEW!** ● **MICROFOX HF** 1400,-  
miniature HF transmitter, adjustable code, frequency, keying speed and timing
- NEW!** ● **MICROFOX VHF** 1400,-  
miniature VHF transmitter, adjustable code, frequency, keying speed and timing, dipole antenna
- NEW!** ● **TRAINER 2007** 5900,-  
HF/VHF automatic PLL synthesized transmitter for training and national competitions, 1W output Li-Ion accumulator, adjustable code, keying speed, frequency and timing
- NEW!** ● **CONTEST 2007** 11800,-  
HF/VHF automatic PLL/DDS transmitter for any level of competitions, 3W output, Li-Ion accumulator, built-in automatic antenna tuner, charger, RTC, adjustable code, keying speed, frequency, output power, timing and delayed operation, IP64 covering

**Other equipment, accessories**

---

- Miniature electronic starter **MINISTART 3** 1800,-
- DCF controlled starter clock 7790,-
- DCF controlled synchronizer/charger for ARDF transmitters set 2600,-
- Charger N28 for all receivers 450,-
- Charger N80 for 7 receivers and/or TRAINER PLL transmitters 1500,-
- Sophisticated tester T810 for receiver accumulators 270,-
- Headphones SL28 (rugged, lightweight, high sensitivity) 400,-
- Anti-theft cable locks for ARDF transmitters, unified keys 260,-/pc
- Antenna elements set for C144/145/145E 170,-
- Whip antenna for C3,5/SF3,5/C3,5F/SF3,5F/SF2002/SF3,5GX 15,-
- 144 MHz transmitting turnstile antenna 490,-
- 3,5 MHz wire antenna+counterpoise for TRAINER/CONTEST transmitters 90,-
- no accumulator option for COMPACT145/145E, 9V battery holder -170,-
- accumulator option for COMPACT3,5F +320,-
